 See Continuation Sheet

Part III.

- ☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

 (Examiner/SPE Signature)

 (Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner called applicants' representative concerning the requirement for a substitute specification made in the Notice to File Missing Parts letter of 10/17/03. Applicants' representative indicated that the specification was filed with 11/2 spacing and was acceptable. This appears to be the case as OIPE has released the case for examination. .
